DETAILED ACTION

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mark Simpson on 31 March 2006 at 10:24 am.

The application has been amended as follows: cancel claims 12 and 13.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: regarding independent claims 1, 7, 15 and 19, the prior art does not disclose nor suggest a security system for use with a locked subject having a mechanical key that is retained in a key retainer of a portable device wherein the portable device has a plurality of controlling means for performing wireless communication between the locked subject and the portable device and also wherein the portable device contains a key detector arranged to detect whether the mechanical key is retained in the key retainer and the locked subject containing disabling means for disabling the opening and closing of the lock of the locked subject with the activation controlling means or the manual activation controlling means when the mechanical key is not retained in the key retainer (claim 1) or disabling means for disabling at least one of the controls of the manual activation

Art Unit: 2612

controlling means when the mechanical key is not retained in the key retainer (claim 7) or a notifying device that notifies the driver of the vehicle that the mechanical key is not retained in the key retainer by disabling at least one of starting of the engine and the keyless entry function (claim 15) or disabling means for disabling the portable device performing at least one of signal transmitting and signal receiving when the mechanical key is not retained in the key retainer to notify a person possessing the portable device that the mechanical key is not retained in the portable device (claim 19).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
